South Bay Inn & Suites Opens Its Doors In Myrtle Beach Just In Time For Summer Beachgoers

MYRTLE BEACH, SC - (July 16, 2018) – [Cumming](#), an international project management and cost consulting firm, along with CM at Risk contractor W. M. Jordan Company, have completed the brand new \$50 million South Bay Inn & Suites on 6th Ave North Ocean Blvd.

Developed by Bayshore LLC, South Bay Inn & Suites is one of three new hotels slated to open within the next year at the popular beach destination. Construction kicked off on the 237,000-square-foot South Bay Inn & Suites last July and despite initial logistics challenges, the project's team has been able to keep the hotel's development on schedule for its highly-anticipated opening this summer.

The 19-story oceanfront hotel includes 242 guest rooms, an exercise gym, game room, full service bar area and sit-down restaurant. A family-friendly hotel offering fun for all ages, the South Bay Inn & Suites has an onsite waterpark featuring two slides, a lazy river, a dedicated small kids water play area, a larger relaxation pool, and two separate hot tubs.

Experts in hospitality construction project and cost management services, Cumming is provided overall project management on behalf of well-known local developer, Mr. George Buchanan and Bayshore LLC. Cumming's South Carolina-based team made sure the construction program stayed within budget and adhered to the set timeline.

South Bay Inn & Suites was designed by e3 studio and TAG Architecture. These two firms provided architecture and graphic design services.

Serving the region since 1988, Cumming provides efficient and cost-effective solutions to ensure that projects in the education, commercial, hospitality, retail, entertainment, healthcare, and high-end residential sectors are executed on time and within budget. Cumming's portfolio includes a diverse array of work throughout South Carolina and worldwide. The firm has more than 400 assignments underway at any given time, and has worked on projects globally with a collective value in excess of \$150 billion.
